DAY 1: Nairobi to Nanyuki (L / D)

Leaving the hustle and bustle of Nairobi we head north, crossing the equator, before reaching the market town of Nanyuki. Founded in 1907 by English settlers, Nanyuki is home to the main base of Kenya's Air Force. It's popular amongst tourists because of it's proximity to impressive Mount Kenya, Kenya's highest peak at 5199 m. It's also home to the Mount Kenya Safari Club, now a hotel, but in the 60's an exclusive club whose members included Winston Churchill, Bing Crosby and Bob Hope.

DAY 2: Nanyuki to Samburu National Reserve (B / L / D)

Leaving this old frontier town, we head north-west through the Kikuyu area around Mt Kenya to the Samburu National Reserve. We'll encounter the Masai's distant relatives, the semi-nomadic proud Samburu, tending their cattle along the way. The Samburu National Reserve is a relatively small reserve at just 104 km². It is a remote, hence unspoilt, reserve and attracts a wide range of animals because of the Ewaso Ng'iro River (brown water) that runs through it.

DAY 3: Samburu National Reserve (B / L / D)

The Samburu National Reserve is made up of a mixture of scrub, desert and open Savannah plains interspersed with small rugged hills. It is home to most of the Big 5 (except the rhino, which has been decimated by poachers). What makes this reserve unique is its populations

of Grevy's Zebra, Beisa Oryx, Reticulated Giraffe and Somali Ostrich and we'll spend the day searching for these unique animals.

DAY 4: Samburu National Reserve to Nakuru (B / L / D)

Leaving the unique Samburu National Reserve, we head west towards the Great Rift Valley and the 4th largest town in Kenya and the capital of the Rift Valley Province, Nakuru. We overnight here before entering Lake Nakuru National Park tomorrow.

DAY 5: Lake Nakuru National Park (B / L / D)

Today we head into Lake Nakuru National Park, famous for the thousands of lesser and greater flamingos that flock to this soda lake's edge. The numbers vary depending on the water level, and when it's low, the lake almost turns pink. A truly spectacular sight! The park was established as a sanctuary for black and white rhino, which are often seen. We spend the day searching for these pre-historic looking beasts as well as the elusive leopard, encountering buffalo, giraffe, various antelope and the occasional hippo along the way.

DAY 6: Nakuru to Kampala (B / L / D)

Today, we cross the border into Uganda and travel via the lakeside town of Jinja (the Source of the Nile) before reaching Kampala, Uganda's capital, for an overnight stay. Uganda is a small country of striking physical beauty. Its landscapes vary from the fertile green areas around the northern shores of Lake Victoria to the snow-covered Ruwenzori Mountains in the west and the semi-desert parts of the north facing the border of Sudan.

DAYS 7 & 8: Kampala to Kisoro (B / L / D)

After an early morning departure from Kampala we drive west into the depths of Uganda to our base in Kisoro.

Kisoro is the base from which the optional Gorilla trek takes place. Dependant on where trekking permits are available, we trek in the Magahinga or Bwindi National Parks in Uganda, the Virunga National Park in the Democratic Republic of Congo, or the Ruhengeri National Park in Rwanda. The prices of trekking permits fluctuate and may change without prior notice – currently they are priced at US\$500 depending on where we trek. There is a local transport fee of US\$65 to US\$70 per person (this covers the return transfer and the Wildlife Authority's booking fee). For trekking in the DRC or Rwanda, we will also have to purchase an additional visa to enter either country, as well as renewing our Ugandan visa upon re-entry. Please budget accordingly.

Trekking Procedures: The mountain gorilla (Gorilla Gorilla Berengei), of which there are still only about 700 remaining, are one of our closest living relatives. A visit to these gentle giants in their natural environment is a unique and wonderful experience - one you'll never forget. The park rangers monitor the gorillas on a daily basis and have a fairly good idea of where they are. However, they are free roaming animals, and their sighting cannot be guaranteed. As the gorillas share much of our DNA, anyone with even the slightest cold or transferable illness will not be permitted to trek. Trekking is also only open to people over 16 years old.

We depart from our camp in the early morning and after border formalities are transferred to a ranger's station where the trek commences. Your rangers will lead you through the cultivated lands and then into the dense rain forest and on to a gorilla family. Trekking can take anywhere from 45 minutes to 8 hours and it can be quite strenuous, so a reasonable level of fitness is required. To ensure the gorillas do not get too used to the presence of

humans and because they share many of our genes (and therefore able to catch our diseases), the maximum time permitted to spend with them is 1 hour. You will have plenty of time to watch their activity and to take photographs. The rangers will be able to provide you with a background to the family you are visiting. Once your hour is up, you trek back out of the rain forest to your meeting point.

You needn't feel like you're exploiting these animals. The ever-growing number of tourists trekking them each day play a vital role in their survival. For years they have been ruthlessly hunted for their hands and heads, which have been sold as ashtrays and lampshades! In addition, large numbers have been killed whilst trying to stop poachers stealing the babies for sale to zoos, where they have never lived long. 100% of the gorilla permit cost is used to by the parks authorities to finance patrols that are instrumental in protecting the gorillas from poachers and their lethal snares and on promoting these wonderful animals.

DAY 9: Kisoro to Lake Bunyoni (B / L /D)

A short drive through arguably some of the most picturesque scenery in Africa brings us to Lake Bunyoni. Lake Bunyoni is the deepest Crater Lake in Africa and is home to a large number of bird and fish species as well as otters.

DAY 10 & 11: Lake Bunyoni (B / L /D)

The next two days are spent at leisure to enjoy the beauty of Lake Bunyoni. There are the options to swim, canoe, hike, visit the local villages or just sit back, relax and enjoy the tranquil surrounds. Well deserved rest days!

DAY 12: Lake Bunyoni to Kampala (B / L /D)

After enjoying the peaceful surrounds of Lake Bunyoni we drive to Kampala for the next two nights stay, and perhaps the chance to sample the nightlife. Today we will cross the equator for the second time and there will be ample opportunity for photos at the Equator crossing.

DAY 13: Kampala (B / L /D)

Today is spent at leisure in Uganda's capital and can be spent exploring the local markets and museums, or taking a trip to the nearby Ngamba chimpanzee sanctuary. The political instability that haunted Uganda over a period of years has had the positive effect of leaving the country free of the over-commercialism so common in other parts of Africa. The current administration under President Museveni has devoted considerable effort and funds to regain Uganda's former glory as one of Africa's most prosperous and, from a tourist's point of view, one of the most appealing and interesting countries to visit.

DAY 14 & 15: Kampala to Jinja (B / L /D)

After a short drive to the Lakeside town of Jinja, you have the option over the next day and a half to raft the Nile, visit the local community project or take part in a quad bike trip along the riverbank. Our overnight camp is right on the edge of the Nile River where there is an abundance of resident bird life & some truly amazing photo opportunities from right outside your tent!

DAY 16: Jinja to Nakuru (B / L /D)

Today will be a full day driving back to Kenya with an overnight at a campsite in Nakuru.

DAY 17: Nakuru to Lake Naivasha (B / L /D)

This morning we have the option to take a game drive in the Lake Nakuru National Park or head into Nakuru town. In the afternoon, we drive to Lake Naivasha where we make camp in peaceful surroundings beside the lake.

DAY 18: Lake Naivasha (B / L / D)

Moving south-east, we head to Lake Naivasha, home to a multitude of bird life, the most magnificent being the African Fish Eagle with his regal cry. At 1880 m, this is the highest of the Rift Valley lakes. Time permitting; we spend the afternoon enjoying optional excursions like Elsamere (former home to Joy & George Adamson of Born Free fame), a boat ride to the Crescent Island Game Sanctuary or a bike ride around Hell's Gate National Park.

DAY 19: Lake Naivasha to Masai Mara (B / L / D)

We depart from Lake Naivasha and enter Masai land where these habitual pastoralists are often seen tending their cattle from the side of the road. We pass through the town of Narok, before arriving at our campsite, Acacia Camp. Acacia Camp looks on to the Meguarra hills and the stream that meanders by on the bottom end forms a natural border to the Masai Mara National Reserve.

DAY 20: Masai Mara Game Reserve (B / L / D)

We spend the day driving through nature as it was intended to be - huge plains, rolling hills and an abundance of game matched nowhere else on earth. We keep an eye open for the Big 5 - elephant, rhino, buffalo, lion & leopard. If travelling between July and October, we may get to witness the impressive herds of over 1 million wildebeest, zebra and Thomson's gazelle in their Annual Migration. Sitting around the camp fire, watching the sun set is the perfect way to finish a day's game viewing in this "Garden of Eden."

DAY 21: Masai Mara to Nairobi (B / L)

After breakfast, we head back to Nairobi. On arrival, we head to the Hotel Boulevard, where we deliver the passengers who'll be ending their trip here, before heading to our campsite for the night.

DAY 22: Nairobi to Arusha (Tanzania) (L / D)

This morning we collect the passengers who'll be joining us on the next leg of our trek. We travel south crossing the border into Tanzania at Namanga. Tonight we stay in a lovely campsite in Meserani on the outskirts of Arusha, before heading out on our Optional Excursions to the Serengeti and Ngorongoro Crater.

DAY 23-25: Arusha to Serengeti National Park & Ngorongoro Crater (OPTIONAL) (B / L / D)

Arusha is a pleasant town situated at the base of Mount Meru and is the starting point for the optional excursions to Ngorongoro Crater and Serengeti. We conduct these excursions in locally operated 4WD vehicles, which are adapted for safari use.

For those not opting to visit the Ngorongoro Crater and Serengeti National Park, the next days are spent at leisure enjoying the Meserani reptile park, Masai Cultural Museum and the surrounding villages and craft markets. Alternatively the town of Arusha is close by to explore.

The Optional Ngorongoro & Serengeti NP excursion takes us via the Masai town of Mtu Wa Mbu (Mosquito River) that lies adjacent to the Lake Manyara National Park and up the Rift Valley Escarpment to the higher lying village of Karatu. Karatu offers magnificent views over

the surrounding hills and has many well established wheat farms that add to the picturesque panoramas. We spend the evening at a pleasant campsite in Karatu. The following morning we depart early for the Ngorongoro Conservation area and head into the wildlife rich Ngorongoro Crater. This World Heritage Site boasts some of the best game viewing in Africa – including the elusive Black Rhino.

After our game drive in the Crater, we head down the Crater rim and past the ‘Cradle of Mankind’ on our way to the Serengeti National Park. We cross the vast plains as we game drive through the southern and central areas in the park. Tonight we camp in the bushveld surrounded by the sounds of the African wilderness. In the morning, we head off for another game drive and explore the landscape in search of the resident game. With some luck, we may see some of Africa’s ‘Big 5’!

After our morning drive, we head back across the plains and the lush Crater rim to our truck at Arusha, where we spend the evening musing over our thrilling wildlife experience.

DAY 26: Arusha to Pangani (B / L / D)

After a morning spent exploring Arusha and its vibrant craft markets, we head south towards Dar es Salaam. On the way we drive through the town of Moshi. Moshi is the base for Mount Kilimanjaro climbing expeditions, and weather permitting; we may even catch a glimpse of this magical mountain’s snowy summit - a photo opportunity not to be missed! We pass through vast sisal plantations surrounded by The Usambara and Pare Mountain ranges, before reaching our lovely campsite nestled between these mountains, midway between Arusha and Dar es Salaam.

DAY 27: Pangani to Dar es Salaam (B / L / D)

Today we continue on to Dar es Salaam. Travelling through lush scenery and palm trees, we near the warm Indian Ocean. On arrival in Dar es Salaam we make our way to our lovely seaside campsite and prepare for our departure to Zanzibar the next morning.

DAY 28: Dar es Salaam to Zanzibar (B)

A ferry from Dar es Salaam takes us to the “Spice Island,” where we have the option to spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands. New passengers may join us to replace those that’ll leave us at the end of our excursion to Zanzibar.

PLEASE NOTE: Accommodation and Meals are for your own account whilst on Zanzibar, as it is our experience that passengers prefer to explore the island on their own. The Trip Leader joins you and can arrange your accommodation, while meals can be enjoyed from a wide selection of restaurants.

*For those not opting to visit the island of Zanzibar, the next 3 days are spent at leisure at the beach campsite in Dar es Salaam.

DAYS 29 & 30: Zanzibar

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you’d like to explore the more remote areas of the island. Zanzibar is a seafood lover’s paradise. Numerous restaurants offer a

great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

DAY 31: Zanzibar to Dar es Salaam (D)

Leaving Zanzibar, we return to the mainland in the late afternoon and another night in Dar es Salaam.

DAY 32: Dar es Salaam to Iringa (B / L / D)

This morning we leave Dar es Salaam and head south. We pass through the Mikumi National Park where it is possible to view a range of wildlife from the roadside, totally impervious to the passing traffic. We travel towards Iringa where we spend the night in a beautiful rustic campsite famous for its Amarula Hot Chocolates and its steamy showers!

DAYS 33 to 37: Iringa to Lake Malawi (Malawi) (B / L / D)

Taking in the beauty of the Tukuyu tea and banana plantations, we head towards Malawi entering the 'Warm Heart of Africa' through the border post at Songwe. Malawi is a landlocked country with 20% of its total area made up of beautiful Lake Malawi. We travel the length of the western side of the lake, stopping off at various bays and inlets over the next 5 days.

Spend the days learning the game of bao from the locals, scour the markets for a bargain or simply relax on the pristine white beaches. Malawi's temperate climate allows for swimming in the clear blue fresh-water lake all year round. Explore the beautiful shore where you'll happen upon the local fishermen sorting their catch. Traditional fishing techniques are still practiced and to appreciate their boating skills, try to paddle a dugout canoe yourself! The various beachside campsites along Lake Malawi's shores offer many optional Excursions including a variety of water sports, horseback rides and a visit to the local village and school.

DAY 38: Lake Malawi to Chipata (Zambia) (B / L / D)

From Lake Malawi, we cross into Zambia where we spend the night in a beautiful little campsite just 10 km after the Malawi/Zambia border.

DAY 39: Chipata to Lusaka (B / L / D)

From Chipata, we head south to Lusaka to our campsite on the outskirts of Zambia's capital city, Lusaka. The campsite is home to some local wildlife including Africa's largest antelope - Eland.

DAY 40: Lusaka to Livingstone (B / L / D)

An early morning start sees us head south to Livingstone. Victoria Falls or Mosi-oa-Tunya (the Smoke that Thunders) is one of the Seven Natural Wonders of the World and it's not difficult to see why. At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! The Falls can be viewed from the Mosi-oa-Tunya National Park, Zambia - a fantastic photo opportunity. Tonight we have the OPTION of enjoying a sunset dinner cruise on the mighty Zambezi.

DAY 41: Livingstone to Victoria Falls (Zimbabwe) (B)

We leave Zambia and cross the Victoria Falls Bridge and the Zambezi River, entering into Zimbabwe at the town of Victoria Falls. Here in Africa's adventure capital, we set up camp in the town's centrally located campsite. The Falls can be viewed from the Victoria Falls National Park, Zimbabwe - a fantastic photo opportunity. The afternoon is spent relaxing at

the campsite's swimming pool or exploring the many sights and delights of this town!

DAYS 42 & 43: Victoria Falls (B on both days)

The next 2 days are spent relaxing or participating in a myriad of Optional Excursions. Some of our fellow passengers will leave us in Vic Falls, to be replaced by new passengers joining us for the next leg of our trek.

OPTIONAL Excursions include trips into the Zambezi or Hwange National Parks, elephant back safaris, horse back safaris, a visit to the crocodile ranch, boat cruises and golf at The Elephant Hills Resort. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the "floats," where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks.

DAY 44: Victoria Falls to Chobe National Park (Botswana) (B / L / D)

After breakfast we cross the border into Botswana and head to Kasane where we set up camp on the banks of the Chobe River. Listen out for the resident hippos! The Chobe River forms a border between Botswana and Namibia and Zambia. This National Park is one of Botswana's premier game parks, renowned for its large elephant herds.

For the adventurous spirits, there is the option for the Chobe National Park Sleep-out – an overnight experience in the Chobe National park. Spend the afternoon in search of wildlife en-route to the set camp within the park where we spend the evening surrounded by the night-time noises of the local wildlife. In the morning we continue our exploration and after stopping off at the camp for lunch, we meet the rest of the group for the sunset boat cruise

DAY 45: Chobe National Park (B / L / D)

For those not on the Sleep-out, today offers the option of an early morning game drive in the Chobe National Park. An early start sees us spend the morning observing the large herds of wildlife. After our game drive we return to camp for lunch. The late afternoon sees us take a boat cruise along the Chobe River. Elephant, hippo and many bird species can be viewed from the boat while we watch another glorious African sunset.

DAY 46: Chobe National Park to Maun (B / L / D)

Today we travel in a south-westerly direction to the southern reaches of the Okavango Delta and our destination, Maun. It is from here that we set off to explore the Okavango Delta.

DAY 47: Maun to Okavango Delta (OPTIONAL) (B / L / D)

The Delta is a huge expanse of water, which has travelled from the Angolan highlands, spreading out to form the largest inland delta in the world. Studded with exotic islands, The Delta is renowned for its incredible variety of bird life and animals and is unique to Southern Africa.

Here we have the opportunity to take the optional 3 Day / 2 Night Drive In/Mokoro Excursion into the Delta. From Maun we drive north for a couple of hours to reach the mokoro peler's station. Mokoros are traditional dugout canoes manoeuvred through the waterways by local guides who "pole" them through the reeds. After our guides find us a place to camp, we set off on an afternoon game walk, allowing us to experience The Delta wilderness.

For those who'd prefer not to explore The Delta, you can stay at the lovely campsite relaxing by the swimming pool or challenging each other to a game of volleyball. There is also a crocodile farm nearby that has its feeding times open to campsite visitors.

DAY 48: Okavango Delta (B / L / D)

A day of rest, relaxation and Delta experiences await. Today we have the opportunity to partake in a number of activities including swimming (dependant on area & water levels), game walks, mokoro cruises and even a chance to try our hands at poling our own mokoro!

DAY 49: Okavango Delta to Maun (B / L / D)

This morning affords us a final opportunity for a game walk before packing up and setting off back to Maun. We arrive back in the early afternoon and have the chance to complete our picture of the Okavango Delta by taking an optional sunset scenic flight over The Delta.

DAY 50: Maun to Rundu (Namibia) (B / L / D)

Following the Kavango River, we enter Northern Namibia. We stop at Rundu for supplies before heading to our spectacular campsite located on the banks of the Kavango River - complete with "open air" facilities and the occasional hippo grazing on the lawn!

DAY 51: Rundu to Etosha National Park (B / L / D)

From Rundu, we head towards Etosha National Park. Covering 20 000 km², Etosha is Namibia's premier nature reserve. Situated around the Etosha Pan with a wide variety of animal and bird life, the extensive network of gravel roads affords us the opportunity of accessing even the most remote areas of the park.

DAY 52: Etosha National Park (B / L / D)

Today we make our way 150 km across the park, keeping a look out for Etosha's large herds of desert antelope such as Springbok and the famed Oryx. After a full day of game viewing, we spend the evening relaxing at our camp.

DAY 53: Etosha National Park to Cheetah Park (B / L / D)

Today's drive is to the Cheetah Park - a private farm dedicated to conserving Namibia's cheetah population. We get to meet the resident cheetahs, a photo opportunity not to be missed!

DAY 54: Cheetah Park to Spitzkoppe (B / L / D)

Our departure from the Cheetah Park takes us to the 'Matterhorn of Namibia' - Spitzkoppe. The 1728 m high rock formation, one of Namibia's most recognised landmarks, is well known as an ancient San sacred site. Explore the surrounding area and its San rock paintings. Tonight we bush camp under the African stars.

DAY 55: Spitzkoppe to Swakopmund (B / L)

Today we head for Swakopmund. Founded by the Germans in 1892, their colonial influence is still evident today. Swakopmund has a selection of excellent coffee shops, restaurants & bars as well as many arts and crafts shops selling Namibian curios. There are fine beaches to walk along as well as a great museum, aquarium and galleries to visit. Accommodation will be in dormitories. Upgrades are possible, but depend on room availability.

DAYS 56 & 57: Swakopmund (B on both days)

The next 2 days are spent relaxing or participating in a myriad of Optional Excursions. Some of our fellow passengers will leave us in Swakop, to be replaced by new passengers joining

us for the final leg of our trek.

OPTIONAL excursions include sky diving, quad biking, sand boarding, scenic desert flights, dolphin cruises, fishing trips, golf, horse riding and more. An activity briefing will be held on arrival in Swakopmund.

DAY 58: Swakopmund to Sesriem (B / L / D)

Leaving Swakopmund, we head south to meet the Atlantic Ocean at Walvis Bay. Continuing our journey, we enter the Namib-Naukluft Park in one of the oldest deserts in the world. We base ourselves at Sesriem, a great place to experience the Namib and its many moods. A short distance away is Sossusvlei, surrounded by a dramatic sea of sand dunes reputed to be the highest in the world. Magnificent views of the desert can be seen from the top of the dunes, some over 300 m high. We spend the afternoon exploring this amazing area. An optional (and must do) excursion is to walk around the area, learning about the amazing history, geology, flora and fauna from the specialised local guides of Sossus on Foot. They also give us a glimpse into the cultural legacy of the San people. View the sunset from the top of Dune 45 - a truly memorable experience.

DAY 59: Sesriem to Fish River Canyon (B / L / D)

After watching the sunrise across this beautiful area we leave the serenity of the dunes and head south to the Fish River Canyon. At 161 km long, 27 km wide and about 550 m deep, it's the second largest canyon in the world. The outer canyon was formed by tectonic activity, while the erosion of the Fish River formed the inner canyon. A road follows the eastern rim, giving us access to several viewing points from where we can take in the spectacular vistas.

DAY 60: Fish River Canyon to Orange River (South Africa) (B / L / D)

This morning we continue south, where, after a short drive, we reach the Orange River - the natural land border between Namibia and South Africa. We camp at a beautiful campsite on the South African bank of the river. This afternoon we have the option of a half-day canoe trip on the beautiful Orange River, affording us the opportunity of some bird watching or just a scenic and relaxing paddle.

DAY 61: Orange River to Cederberg (B / L / D)

An early morning start see us travel south through the Richtersveld before reaching the region known as Namaqualand, well known for its prolific display of Namaqua wildflowers that occur each spring. We spend tonight in a picturesque campsite surrounded by local wine farms. We have the opportunity to sample some of the nectar of the gods or to explore the surrounding beautiful Cederberg Mountains.

DAY 62: Cederberg to Cape Town (B)

We leave the scenic Cederberg area and travel south towards Cape Town. We travel through the rich fruit growing area of Citrusdal before crossing the Piketberg Pass to the Cape's wine growing regions. Our first sighting of the Mother's City Table Mountain across Table Bay means we've reached our final destination. Tonight's accommodation is in dormitories in one of Cape Town's best loved hostels.

DAY 63: Cape Town (NM)

This morning we exchange addresses and part ways, having just experienced a trip of a lifetime!

We suggest you extend your stay by a few days to participate in some of the exciting activities available here. Post tour accommodation can be booked directly at: Through your

agent or Into Africa Safari office.
