**DAY 1: Maun (Botswana) (D)**

**Our adventure begins in the small town of Maun, the gateway to the Okavango Delta. The day is spent at leisure at the camp and this evening we meet our crew and fellow passengers and make our preparations for the Delta excursion.**

**DAY 2: Maun to Okavango Delta (B / L / D)**

**The Delta is a huge expanse of water, which has travelled from the Angolan highlands, spreading out to form the largest inland delta in the world. Studded with exotic islands, The Delta is renowned for its incredible variety of bird life and animals and is unique to Southern Africa.**

**Here we take part in the 3 Day / 2 Night Drive In/Mokoro Excursion into the Delta. From Maun we drive north for a couple of hours to reach the mokoro peler's station. Mokoros are traditional dugout canoes manoeuvred through the waterways by local guides who "pole" them through the reeds. After our guides find us a place to camp, we set off on an afternoon game walk, allowing us to experience The Delta wilderness.**

**DAY 3: Okavango Delta (B / L / D)**

**A day of rest, relaxation and Delta experiences await. Today we have the opportunity to partake in a number of activities including swimming, game walks, mokoro cruises and even a chance to try our hands at poling our own mokoro!**

**DAY 4: Okavango Delta to Maun (B / L / D)**

**This morning affords us a final opportunity for a game walk before packing up and setting off**

back to Maun. We arrive back in the early afternoon and have the chance to complete our picture of the Okavango Delta by taking an optional sunset scenic flight over The Delta.

**DAY 5: Maun to Chobe National Park (B / L / D)**

We travel east and then north to the town of Kasane where we set up camp on the banks of the Chobe River. The Chobe River forms a border between Botswana and Namibia and Zambia. The late afternoon sees us take a boat cruise along the Chobe River. Elephant, hippo and many bird species can be viewed from the boat while we watch another glorious African sunset. Listen out for the resident hippos!

**DAY 6: Chobe National Park (B / L / D)**

This morning we have the option to do an early morning game drive into Chobe National Park. Chobe is one of Botswana's premier game parks, renowned for its large elephant herds. After our game drive we return to camp for lunch and an afternoon at leisure.

For the adventurous spirits, there is the option for the Chobe National Park Sleep-out – an overnight experience in the Chobe National park. Spend the afternoon in search of wildlife en-route to the set camp within the park where we spend the evening surrounded by the night-time noises of the local wildlife. In the morning we continue our exploration and rejoice the group before heading to our next destination.

**DAY 7: Chobe National Park to Victoria Falls (Zimbabwe) (Brunch)**

Leaving Botswana we enter Zimbabwe and drive to the nearby Victoria Falls. Here in Africa's adventure capital, we set up camp in the town's centrally located campsite. Victoria Falls or Mosi-oa-Tunya (the Smoke that Thunders) is one of the Seven Natural Wonders of the World and it's not difficult to see why. At 1700 m wide and around 100 m high, this is the world's largest sheet of falling water and a memorable sight on any African Safari! The Falls can be viewed from the Victoria Falls National Park, Zimbabwe - a fantastic photo opportunity. The afternoon is spent relaxing at the campsite's swimming pool or exploring the many sights and delights of this town!

**DAYS 8: Victoria Falls (B)**

After breakfast, we exchange addresses and part ways, having just experienced a trip of a lifetime!

**OPTIONAL** Excursions include trips into the Zambezi or Hwange National Parks, elephant back safaris, horse back safaris, a visit to the crocodile ranch, boat cruises and golf at The Elephant Hills Resort. Adrenalin junkies can bungee from the Victoria Falls Bridge connecting Zimbabwe and Zambia or abseil down the Batoka Gorge - neither activity is for the faint hearted! All year round, flights in fixed wing, micro light and ultra light aircraft or helicopters provide an aerial perspective over this magnificent World Heritage Site. White water rafting on the Zambezi is world class. Beside the excitement of the Grade 5 rapids, there are the "floats," where there is time to admire the scenic cliffs and the occasional wildlife on the riverbanks.
